Epsom Village Water District
Billing Notice

Your bills are in the mail and should reach your mailbox this week, **depending on USPS timing & delivery*.

Thank you for your patience. We understand this bill is coming to you later due to system limitations and delayed meter readings, and we are glad to be getting back on track. Because this bill covers a longer period than usual, it may look higher or different than you expect. To see why, please check the billing period and usage shown on your bill. If you still have questions about your water use, our conservation tips and FAQs explain common causes of higher usage, like leaky toilets and running water. You can find both on our website: https://evwd.myruralwater.com/.
